The Great Hills Park Committee

Support Great Hills Park
Order Your Personalized Brick Paver Today!

Now is your chance to order your personalized brick! For every \$150 donation you can have your child, family or friend's name engraved on a brick that will be installed near the playground and kiosk area. This is a great way to support our park.

Your tax-deductible donation will be used for the playscape project unless another project such as trail improvements, park beautification, park activities and general support of our park is indicated.

Yes, I would like to support Great Hills Park.
Please enter my order for a permanent personalized brick.
I have enclosed a check for \$150 for each 4x8 inch brick.

Each brick has up to two lines and a maximum of 14 characters per line. Leave a space between names and before and after "&". Placing only one letter per space, print your information as you want it to appear on your brick. Each line will automatically be centered. Please remember that PARD regulations stipulate that only names can be engraved on bricks. Please no dates or phrases. New bricks are installed in groups, when we have accumulated 10 orders for bricks.
